

# LuckyDrops Forge License v1.0

Copyright (c) 2026 Ob3yPlays

LuckyDrops Forge is an addon for the original Lucky Block mod by Alex Socha (PlayerInDistress).

## You are allowed to:

- Use LuckyDrops Forge in singleplayer or multiplayer.
- Include LuckyDrops Forge in public or private modpacks.
- Create videos, livestreams, and other content featuring the mod.

## You may NOT:

- Re-upload this mod to any website without permission.
- Sell or redistribute this mod as your own work.
- Modify and redistribute this mod without explicit permission from the author.
- Remove or alter the original credits.

## Dependencies

LuckyDrops Forge requires the original Lucky Block mod by Alex Socha (PlayerInDistress).

LuckyDrops Forge does not contain or redistribute any assets or source code from the original Lucky Block project.

## Disclaimer

This addon is an independent project and is not affiliated with or endorsed by Alex Socha (PlayerInDistress).

All Lucky Block trademarks, assets, and original mechanics remain the property of their respective owner.
